- Check the sufficiency and completeness of supporting materials and evidence for the content of the Report.

CONCLUSION

◆ AA1000 Accountability Principles

Inclusivity

WIESON has continued to implement a wide range of stakeholder engagement programs to identify and understand the important information generated by issues of concern to stakeholders. The report has fairly reported and disclosed economic, environmental and social information, which is sufficient to support appropriate plans and goals. In the future, the organization will continue to strengthen the existing identification mechanism of stakeholders and materiality issues, and collect and understand the key concerns, specific participation methods, reasonable expectations and interests of stakeholders.

Materiality

WIESON has released relevant information on sustainable management to enable stakeholders to judge the company's management and performance, and develop and implement a decision-making mechanism for material issues to accommodate issues from all parties. In the future, the organization will continue to strengthen the identification mechanism of materiality considerations of positive and negative impacts and related impacts, strengthen the risk and opportunity management and control of materiality issues, and implement it into the operating procedures of each department.

Responsiveness

WIESON has developed and implemented a stakeholder response mechanism, clearly declaring relevant policies and communicating with stakeholders, and responding to expectations and opinions from stakeholders. In the future, the organization will continue to strengthen the response and communication mechanism between various departments and stakeholders, enhance the depth and breadth of disclosed information, and increase its comparability to facilitate response to stakeholders.

Impact

WIESON has developed and implemented a process for understanding, measuring, evaluating and managing the impact of the organization, and provided the necessary capabilities and resources, and committed to making a comprehensive and balanced disclosure of the measurement and evaluation of the organization's impact on stakeholders and itself. In the future, the organization will continuously monitor the impact of organizational operations on the ecosystem and disclose relevant information, and invest resources to plan and implement continuous improvement plans.

◆ Global Reporting Initiative Sustainability Reporting Standards

Based on the results of the review, we confirm that the Report complies with GRI reporting requirements in terms of general disclosure items and specific topic disclosures, including material topic management and disclosure items. In the future, the organization will continue to strengthen the decision-making process on materiality themes to improve the quality of reports, and fully disclose relevant information such as response measures and operating performance to the impact the organization faces, so that stakeholders can judge and support the sustainable operation of the organization.

ASSURANCE OPINION

In our opinion, the information and data presented in the Report by WIESON provides a fair and balanced representation. We believe the focuses on economic, environmental, and social aspects of WIESON in 2022 are well represented.

Afnor Group has developed a set of process for the Assurance of Sustainability Reports based on current practice guidance provided in the AA1000 Assurance Standard (v3) and GRI Standards. We believe that the evidence collected by onsite assessment has exhibited that WIESON did follow the guidance of AA1000 Assurance Standard (v3), and their self-declaration in response to the Global Sustainability Reporting Initiative standards.

ASSURANCE LEVEL

In accordance with the AA1000 Assurance Standard (v3), we verified this assurance statement corresponding to a moderate level. The scope and methods are as described in this statement.

LIABILITY

This assurance statement is intended for the use of WIESON TECHNOLOGIES CO., LTD. only. AFNOR is not responsible for any other uses. Our responsibility is only based on the scope and methodology described, and to provide stakeholders an independent assurance statement.

For and on behalf of AFNOR :

Patrick Ni
